

CULTIVATE Leadership Training

*Building the Next Generation of
Leaders in the HIV Community*

Interested in strengthening your voice, building leadership skills, and helping shape the future of HIV services in our community?

Join us for a free leadership training designed for people with lived experience in the HIV community who want to deepen their impact in the Greater Palm Springs area.

Training Topics Include:

- Leadership Rooted in Lived Experience
- Navigating Leadership in Community Spaces
- Negotiation and Influence
- Turning Personal Strength into Community Impact

Event Details

Monday, April 27, 2026

9:30am to 2:30pm

Mizell Center

480 S. Sunrise Way

Palm Springs, CA

Breakfast and lunch provided

Participation is limited to **10 participants with lived experience with HIV from the Greater Palm Springs area.**

To register or request more information, email:
info@AgingandHIV.org

Participants will explore how lived experience can strengthen leadership and community impact.

Part of the national Cultivate Leadership Program supported by AIDS United and HRSA
